

To Whom It May Concern:

HACCP Australia Pty Ltd certifies selected branches of Amalgamated Pest Control as service providers for food businesses operating a HACCP based Food Safety Programme. Documentation and chemicals utilised have been investigated and training in servicing food premises has been successfully undertaken.

Certification, subject to the conditions in the Certification Statements, was provided to various branches of Amalgamated Pest Control on 28 October 2013 after investigating systems, service delivery and procedures in accordance with the standards of HACCP Australia's Food Safety Certification Systems.
